Dear Jeffrey Epstein,

You are our favorite RPR friends and fans.

Today we are so excited to share the launch of our latest product on Kickstarter, the Ollie Chair, a shape-shifting seat that unfurls with a flourish and retracts with a simple pull of a string.

It's remarkably space-saving, can be customized for different aesthetics due to its replaceable tambour seat, and can be hung flat on a wall as an elegant storage alternative. To add, the chair is ergonomically engineered for comfort and suitable for both indoor and outdoor spaces.

We launched publicly this morning and so far the response has been amazing (already over 30% of our goal!)

Please VISIT our Kickstarter page and "pay" around! And it would mean the world to us if you would help spread the word: forwarded emails, posts to social media (just click on the Facebook, Instagram, and Twitter buttons on our Kickstarter page linked above or follow our lead and share directly from our social media accounts), etc.

Thanks for being such a big part of our lives.

#ShareTheChair,

Jess, Pete, Kat, Ed
