Subject: Re:

Jeffrey,
I think we could roll/curve the ends on the aft facing divan "maybe" ,,,, this helicopter is narrower than S76. I think a slight flare would work.
The fwd facing divan, your VIP seat tracks and reclines, not sure how that would feel as a seat back with a flare?
I will sit in the seat on Monday and give you an appropriate answer once I discuss with Clayton the mangr.
Thx
Larry
