Anna,

As discussed, please find the questions and answers from the Absentee Ballot Request Form on the attached Word document. I underlined all the answers. There are some answers that JE needs to give you as I do not know that information and I indicated as such on the document. Go to Request Absentee Ballot | Election System of the Virgin Islands <http://www.vivote.gov/content/request-absentee-ballot> and fill out the form using my answers and those that JE gives you. JE's name must be typed in on the last line as his electronic signature. Have JE review before you hit send.
