Subject: Moving to MIT

Dear Jeffrey,

the MIT office has just informed me that they filed my visa application =nto the official channels, and expect a response within two weeks.

That means that things are getting real. We are now looking for an =partment in or near Cambridge.

- I would like to meet you. What about the week of March, 24th? =therwise, what about some time in April?

- MIT will only pay 60K, which is not enough to support the four of us =n Cambridge (rent is ~2500, minimal daycare 1700, health insurance =tc...); also, moving is quite expensive for us. It is still an =mbarassing topic for me, but you mentioned that you could find a =olution. How can we organize this, please?

Thank you, and the very best regards from Berlin!
