Subject: hi

You are greatly missed here.

Was calling you with Mette the other day.

It is fun -- BUT it is super intense – every day from 7am to 2am non-stop.<=o:p>

Tonight I organized a very small dinner with Bill, David Rubenstein, Mette, Ha-oon, Consuela, few other interesting YGL and Melanie.

After that some hottest after party in Davos – going a= Mette's date.

<=p>

On Saturday going to London – and then all starts again.

How are you?

B
