Heat Things Up With the Season's Boldest Color Combo

Experiment with color this season, taking cues from Pantone's hot colors for 2014. Today, we borrow from two trendy hues, combining vibrant Celisia Orange with neutral Sand for a memorable interior. Watch your room burst into life with fiery orange, and then soften with sand-tones for the right balance. Choose from mid-century modern classics like striking lounge chairs and retro-cool clocks, and mix with sleek coffee tables in natural wood shades. With the right pieces, this lively color combo will make for a stylish room that's smoldering hot.
