Greetings Sir,

The schedule as of today= is the engines will be picked up from the vendor on Monday, 6/22. They will sail from FL on Friday, 6/26, arrive on STT Tuesday, 6/30. We= plan to try to clear on Tuesday, and pick up and deliver to Subbase Drydoc= that day, but no later than Wednesday, 7/1.

Base= on this updated schedule, we will talk to Gene and Boscoe tomorrow mornin= to confirm the timing to remove, install, connect, test and launch by Fri=ay, 7/10 is still feasible.

Respectfully, D=phne
