Greetings, Board members -

Please find attached a working draft of the upcoming inaugural symposium of the =ew University of California President's Multi-Campus Inter-Disciplinary =usic Research and Education Initiative, which will take place on Oct =-3 at Schoenberg Theatre at the UCLA Herb Alpert School of Music. The =ymposium will feature iMABS Board Chair Dr Robert Freeman, who will =ive the opening Keynote, connected to his 2014 book, "The Crisis of =lassical Music in America and the Promise of Inter-Disciplinary Music =earch & Education" Thursday night Oct =st.

Earlier that day, we are holding an iMABS =unch and board meeting at the UCLA Faculty Center. I hope you will be =ble to attend, though I'm well aware that we are meeting at a distance =rom the Harvard-affiliated locations we've met in the =ast.

I look forward to corresponding soon - I =ope to call each of you in the days ahead in advance of the Board =meeting and =ymposium.

Warmly,
Mark
