He showed us the ficus shrub he thinks =ts bug infested . I'm in a quandary if Janusz called the company that =ill spray. He never say anything .

Also Renato =amp; can plan to add soil, cultivate & add mulch in the base of the =ougainvilleas . Renato started yesterday but he said Janusz told him to =top for landscapers will do it. They can do the sod but Boss will save =oney if we do the bases .

Let us know if we =roceed w/ our plan.
