=div class="gmail\_default">Jeffrey E.  
12:00 AM (11 hours ag=)

to me, Richa=d

h=w long to make level with the plan i produced originally for grading= i assume much of the work can get done whetehr you are there are no=. i will come out late october . to mark out beds= so i hope grading finshed by then

<=iv class="gmail\_default">Jeffrey

<=div>

Anticipate completion of Log Cabin last w=ek of September, and then planned to re mobilize to MH Project E mail and Photos of progress at Log Cabin to follow=/div>

W= will try to meet that deadline,

<=r>

Reminder its a 9 plus foot retaining =all, backfill for 80 percent of area involved, compaction,

An issue th=t needs to be addressed,

Drainage,=under the present plan/grade, in the event of a down pour proposed path ma=erial and small landscape walls will get washed away

regards Brice

Staging material, rocks =nd dirt at the log cabin have scheduled for today and tomorrow  
I intended to hold off on =ny other work at that location until after Linda's visit 14th Sept

We have been stock piling di=t for back fill and grade MH, unfortunately the track hoe broke down  
=div class="gmail\_default" style="font-size:small">It has been returned= company was unable to locate  
part.

Another unit has been found from another compan=, we are waiting for confirmation on delivery date,  
Monday or Tuesday next=week.

In the mean time t=e access road behind the MH to proposed new site needed work and a slight =hange  
of layout so dump truck was not continually driving over Spetic Tank= located to the South East of Mechanical Building.

The storm water pipping from t=e MH that goes under this road also need work, this work has been  
complete=.

</=iv>

I will send Phot=s Friday of progress

reg=rds Brice
