The impression I have is that they have unofficially interdicted Noam, because there's no legal basis and because, if interdicted, then Noam wouldn't be able to keep productive and keep providing for all of them. All this is extremely serious. They are inverting the roles. We have to ask them permission? Totally wrong and unacceptable. Max in an email that I saw by accident proposed Deborah that they had to work as a team.

You would like your instructions followed and your letters timely returned. you do not want to talk to Gene. I don't like it. she couldn't return Noam's letter which takes 2 minutes. BULLSHIT

Dear Noam, <=span>

I apologize for the delay= multiple meetings have created a logjam in my schedule.

There is no issue with Ma= directly providing this information to Mr. Kahn, provided that everyone k=eps me in the loop on the communications, as I am your attorney. However, before I send Max an email to this effect, I want=d to note that Gene and I have discussed this, and since Mr. Kahn is unkno=n to both of us, we have both researched the internet to determine Mr. Kah=s background, licensing, description and scope of services, etc. We found scant information about him; ju=t that he is CFO of a small company with an office in a residential sectio= of New York. We found no licensing information, he has no website d=scribing his services, background, the types of clients he represents, his track record, any indication of the scope of=his practice, personal or professional background, etc. Given this, =e advise you to proceed very cautiously in embarking on a new financial re=ationship and providing personal financial information, social security numbers, account numbers, etc. unless you hav= done very thorough due diligence to protect yourself and Valeria. P=ease let Gene and me know your thoughts. I hope you are not annoyed =y my and Gene=s cautious approach to this matter.

Gene, please feel free to=add your comments.

With regard to the financ=al analysis that John DeSimone has provided, I believe he is revising it i= accordance with Nick=s comments. I can see where this stands, and when he will be ready for a call with you to review the analys=s, if you wish.

Best,

Do I understand correctly that Mr. Kahn should contact you direct to obtain the information he is requesting about my estate?
