Hey Bossman,=br>

What are your thoughts? about Kenny from Jaredian coming over instead of Mr.=Woods for the CZM meeting tomorrow morning.

I think Mr. Woods is a hot topic right now and we don't need the added atten=ion since we have a lot of projects going on. Also I don't think that we sh=uld have the crusher run come over to the island until the guys from CZM de=art from LSJ.

Please advise,
Ann R.
