Reserve December 2-12, 2015 to be with the Origins Project in Antarctica. As part of the Origins Project group you'll have special access to Lawrence and Brian and opportunities to attend a series of specific lectures and small group discussions also moderated by Lawrence and Brian:

- * Encounter animal and ecosystems found nowhere else on Earth.
- * Between your polar adventures, take time to learn more about cosmology, climate change, the southern sky, and the early universe.
- * Discover Antarctica's frosted wilderness and gain an appreciation for vast ecosystems thriving amidst harsh climates.

*In addition to the individual cruise berths - which start at \$9,950, plus a \$1,140 charter-flight fee - there is a separate \$2,500 contribution to the Origins Project at ASU. Your \$2,500 (per person) charitable gift to the Origins Project at Arizona State University supports our efforts to push the frontiers of science and make knowledge broadly accessible. Your generosity also supports the special lectures and events the Origins Project will organize throughout the cruise.

**Your gift will be deposited with the ASU Foundation for a New American University, a separate nonprofit organization that exists to support ASU. Gifts in support of ASU are subject to Foundation policies and fees. Please consult your tax advisor for the deductibility of charitable contributions.

This event is produced for Origins Project at ASU by Insight Cruises.
