Jeffrey

Attached is the estimate for the re=air of Big N

if we keep the barge then recommend full refurbishme=t @ estimated cost of \$48,872.00

if we sell the barge in the new y=ar, then recommend refurbishment @ estimated cost of \$33, 862.00

my recommendation is, haul out, confirm scope of work and cost, then pr=ceed with only necessary repair to  
get us though the next few months

<=iv>please note we do need to haul out to do the rams,

do i have you approval
