I was just talking to my neighbor whom I love, Anthony's mo=.
She asked how Jeffrey is doing.
She said what a special pe=son he is and that she will never forget and be forever grateful for what =e did for her
children. I thought she was going to start crying about it.<=div>

Then she said...I am sure he still looks as handsome as=ever!!!

I said yes, time is in love with him, and=the years don't seem to add up when you have so much charisma
