Please know that our common project is a priority and very i=portant for me. Yesterday I was with JL for almost 4 hours! Meeting went ve=y well and we aligned with also Jeffteey. I will try to call you a little l=ter to align or feel free to call when it's best for you.

Can we please organize a call on Thursday or friday?

Thursday could be anytime between 12:30 and 4 or after 7pm

Friday could be anytime between 11:45 and 3:45pm.

It's important we give the green light in May to be operative in September a=d to be ready for a strong jan-march season.

Thank you
