In order to obtain Landing permission for Marrakesh, I need to list departur= airport and passenger manifest., Do you think our departure airport is St Thomas on Saturday in Boeing?

Estimated cost for landing permission request \$1,800

I will have Maintenace update on Boeing later this afternoon, Larry Morrison=indicates we may have time to complete Flap AD inspection to check for crac=s by Friday, baring no cracks should not pose issue.,

- we sent out Two Main wheel assemblies for new tires installed due to dry r=t and cracking on rubber, -Replacing PCU actuator for elevator control due to leak, should have exchan=e unit later this week,

When your able to share possible schedule and which aircraft, I'd appreciate=it, so I can arrange Boeing pilots?

Bill Hammond mentioned he is busy opening a new shoe store that he owns with=his brother, but is interested in flying this trip,.

Thank you

Larry
