Reputationally from folks you know in Dubai...

Where is their "best" stroke and neurovascular center?

I want to keep up affiliation and weekend rounds or something. Big my neurol=gy chairman and neurosurgery chairman will help me get visiting status wher=ver I go (Dubai) but we can't figure out where is best? We do know that the=e is supposedly the highest per capita neurovascular disease in the world i= that region!

:-)

And I will be there in July looking around. Start job either October or Janu=ry. The foundation needs me to do something that will make things a bit bet=er for me in the long term. They will fly out 3 senior leaders Tuesday to m=et with me.

Need this. Haven't told them but have told Jim. =?xml version=.0" encoding=TF-8"?> <!DOCTYPE plist PUBLIC "-//Apple//DTD PLIST 1.0//EN" "http://www.apple.com/DTDs/PropertyList-1.0.dtd">
