Dear Mr. Brockman,

I do see Jeffrey's correct Edge url page on google-- but the old one is still being picked up. See screen shot below. Is there anyway to get this removed so that Google prioritizes the correct profile url? I've cc'd Jeffrey above. Thank you for your thoughts,

Dear Mr. Brockman,

I hope all is well. Jeffrey's profile looks great but for some reason, Google's robots are not picking it up properly. The url on Jeffrey's profile is correct:
<http://edge.org/memberbio/jeffrey_Epstein>
