Lynnie,

Nancy and I miss you and Bob at those Yippie reunions at =alli and Sam's home. We simply haven't been able to go =nywhere anymore.

The news has reached us =hat you two are actually planning to move to Connecticut. That's = wonderful surprise. It's like a new chapter in your lives. =peaking of which, Bob might finally write the chapters of his =utobiography.

Bob,

On your show Thursday I'd like to read my Alternative =acts rant. In the last part, instead of the er um vulgarities language, =or example, I'd substitute Scaramooch saying "I don♦=99t suck my lollipop like Bannon."

Also I'd like to talk about Trump and satire. At =-9:30 — your time from midnight to 12:30 — I'll =atch the half-hour SNL for last-minute ideas, and then take 2 minutes =o come to my office, so please call me at 9:32 (12:32).

Nancy joins me in wishing both of you with lotsa love and =optimism,  
paul

thing 3: I =aven't read this yet, but it I thought you might want to be =ware of it....Happy Eclipse!
