Getting Started With Coin
Our Getting Started Guide
<https://onlycoin.com/getstarted?utm_source=Device%20Shipped&utm_medium=email&utm_campaign=Getting%20Started/> is a great reference to help you quickly set up and start using your Coin. Here are a few more tips that may be helpful:

*   To ensure proper set-up, please download the latest Coin app from the App Store
<https://itunes.apple.com/us/app/coin-all-your-cards-one-app/id893741371?mt=8> or Google Play
<https://play.google.com/store/apps/details?id=com.onlycoin.android&hl=en>
*   All cards must be verified before they can be synced to Coin <https://support.onlycoin.com/hc/en-us/articles/202190824-Sync-cards-and-settings-to-your-Coin> ; learn how to add and verify your cards

reader?utm_source=Shipping%20Email&utm_medium=email&utm_campaign=Verify%20Cards> with Coin's included card reader

*   Check out our online Support Center <https://support.onlycoin.com?utm_source=Device%20Shipped&utm_medium=email&utm_campaign=Support%20Center> for frequently asked questions

Lastly, Coin is a new smart device that is continuously improving. While Coin is currently compatible at tens of millions of merchants, it is not yet compatible with all of them. You can provide feedback on incompatible locations in the Coin mobile app, and use your backup credit card while we work on furthering merchant compatibility. Learn more at our Merchant Center <https://support.onlycoin.com/hc/en-us/articles/205358520-Merchant-Compatibility-Feature> .
