Subject: Feedspot Beta Invite - A Google Reader + Google Alerts Replacement

Hi Jeffrey,

My name is Anuj. I'm Founder of Feedspot - A Google Reader replacement with built-in Search and Sharing features.
<http://www.feedspot.com> <<http://www.feedspot.com/?start=a>>

We recently launched Feedspot and got reviewed by TechCrunch.
Along with Google Reader, we are building a Google Alerts replacements as well. Our 'Keyword Tracking' technology lets you track news using Keywords.

I'd like to invite you to beta test Feedspot.

Feedspot runs on a freemium model. I'd like to give you one year subscription for helping us in beta testing the app.

Please use JEEVACATION@GMAIL.COM_FEEDSPOT as promo code to enable your Annual Pro Membership.

Should you have any questions, please feel free to reach me.

Best,
Anuj
