Subject: the actual amount

Nice to say hi today.. you did give me more confidence in =ality when you said DJT is just a con man who knows nothing.. at least =y take on reality is not completely off..

I =orked out the budget numbers for the event and I need \$400K in addition =o what I can get from the UNI.. I realize I probably blew it with =y \$250K lowball, but in any case, take this as a request for whichever =ou can do. It is going to be great. April 6-9, 2018.. mark =our calendar. And thank you!
