I looked over the logs for 2011 and I show the =ame as Delson: 7 days in Paris in Jan. (he does not count the =ays you flew from the US and back...and 9 days in Paris in March (once =gain, not counting the days you flew from the US and =ack)

If you scroll down, you should be able to =ee the chart of your days for 2011 from George (I =ope!)
