I spoke with Steve Hanson today. He's under the impression he is looking for someone to replace [REDACTED] on LSJ. Just confirming this is the case as I'm helping him with the questions he has about staff on island and I'm not sure if it's OK to ask [REDACTED] for these answers?

He's also working on a chef, but said nothing will really happen with either position till the new year.

Left Didier a message. Will try him again tomorrow morning.
