Nodell says, "Ah, my wife and I always get separated in these big stores. I'm trying to find her."

Walter says, "My wife's lost, too."

Nodell says, "We should go looking for them together. What's your wife look like?"

Walter says, "She's twenty-seven, long blonde hair, great body. What's your wife look like?"

Mrs. Figshelf walks into the house and there's her husband fucking a strange woman on the living room floor.

She says, "Figshelf, what the hell's going on?"

He says, "There's a simple explanation. I picked up this poor girl hitchhiking. She was cold and hungry, so I brought her home and fed her. Her clothes were torn and ragged, and you have so much, so I gave her a few things of yours to wear. And she was barefoot, and you have so many pairs of shoes, so I gave her a pair of yours. And then, as she was leaving, she turned around and said, 'Is there anything else around here that your wife doesn't use?'"

A kid goes to pick up his blind date, and when he gets there, he finds out she has no arms and no legs. But he's a good sport, so he puts her in the car, takes her to a movie. When the movie's over, he puts her back in the car.

When he gets in his side of the car, she says, "Have you got any rope with you?"

He says, "Yeah."

She says, "You know where that big oak is, the one with the low limb, down in the dark corner of the park?"

He says, "Yeah."

She says, "Why don't you take us there?"

And he agrees, because it helps the joke.

When they get there, she has him undress her, and then she gives him explicit instructions how to use the rope to suspend her from the limb, and they proceed to have the wildest sex the guy's ever had in his entire life. When they get done, he takes her home, carries her inside, and puts her on the couch.

As he's leaving, her father meets him at the door and says, "Here, son."

The guy looks down, and her father is handing him five hundred dollars.

Her father says, "Please take this."

The guy says, "I can't take that, sir."

Her father says, "Please, son, I appreciate what you did tonight. Take the money."

The kid says, "Sir, I can't take the money. You see, I-I had sex with your daughter."

Her father says, "Of course you did. But at least you didn't leave her hanging from that fucking tree."

Stash says to Magda, "Honey, it's Tuesday, and we're getting married on Saturday. Can we get undressed and have a bit of fun?"

She says, "No, Stashu, you'll have to wait until Saturday."

He says, "Well, how about letting me have just a little sniff, then?"

She figures that's harmless, so she pulls up her dress and pulls down her panties so Stash can have a whiff. He puts his face right up to her very hairy crotch, and takes a deep breath.

He pushes her away, looks up, and says, "Magda, my sweet, I'm not sure this thing is gonna keep 'til Saturday."

It's 1946, Durkin's got a seaside bar & grill on the boardwalk on Coney Island, and business is terrible. It's midnight, the joint's empty, and just as he decides he's going to lock the door for the last time, a clam walks in.

The clam says, "Too late to get a gin and tonic?"

Durkin says, "Nah, what the hell," goes behind the bar, and serves the clam a drink.

The clam tells him about his hard life, sprinkled with a few really funny stories, and then says, "Mind if I play the piano?"

Durkin says, "Nah, what the hell, go ahead."

The clam sits at the piano and starts pounding away and singing his heart out. A few people walking by see him, come in, and start drinking. Pretty soon the place is full, the clam never stops, and everybody stays until closing time.

After everybody's gone, Durkin says to the clam, "You ain't bad. What's your name?"

The clam says, "I'm Joe. Want me to come back tomorrow night?"

Durkin says, "Yeah. I want you here every night."

Durkin puts a sign in the window, "Tonight, on the piano, Joe The Clam," and for the next few months the place is packed to the hilt six nights a week. Durkin's swimming in cash, there's women everywhere, and Joe's become a local celebrity.

One Monday, it's the afternoon of their day off, and Joe drags himself into the bar with his shell all busted up, hanging off him in pieces. He's in really bad shape.

Durkin says, "What happened?"

Joe says, "I was under the pier with this hot starfish and her lobster boyfriend caught us. Beat me up pretty bad."

Durkin takes him up to his apartment over the bar and tucks him into bed.

He says, "Just rest, Joe. You're going to be fine. Now, listen ... I got a date tonight with that blonde who's been coming in lately, so if we come in and I manage to get her into the bed, don't say anything. Try to stay out of the way."

Durkin takes the blonde to dinner, they get drunk, he brings her up to the apartment, they get undressed, they climb into bed and they really go to town.

The next morning, Durkin's eyes open, he remembers the night before, and he smiles.

He looks over at the blonde and says, "Did you have a good time last night?"

She says, "Oh, it was wonderful."

She says, "What was that?"

He says, "I said, did you like what I did to you down there with my tongue?"

She says, "You didn't do anything to me down there with your tongue."

Durkin says, "Oh my God ... I ate my best friend."

Ellis picks up an older woman in a bar, brings her home, and they start getting it on. He starts sucking on one of her tits and milk comes out.

He says, "Hey, are you pregnant?"

She says, "That wasn't a nipple. It was a boil."

He works the rest of the week, but the following Monday he calls in and says, "I can't come in today. I'm sick."

The guy says, "No, I don't drink or do drugs. But my brother-in-law drinks every weekend, and then beats on my sister. So every Monday morning, I go over to make sure she's all right.
