Subject: Aff. J-L. BRUNEL / J. EPSTEIN

Dear Mr. Epstein,

My client Mr. Brunel has instructed me to contact you regarding the proposals which might contribute to settle the current dispute. It seems that you intend to propose solutions to Mr. Brunel.

Mr. Brunel prefers not to be involved personally in this process, since he is extremely stressed and upset by the present situation, i.e. the blow to his business and his personal image.

When the matter will be settled Mr. Brunel will be pleased to meet you again.
I suggest that your lawyer be in touch with me.

Nevertheless, if you prefer to communicate directly with me, feel free to do it and I will transmit the information to Mr. Brunel.

Yours sincerely
