I spoke with the Dept o= Ed and told them that we are unwilling to give the 100 computers to their=seniors heading to college without public acknowledgement.

UVI has requested, in writing to South=rn Trust, funding for 34 computers for students in their "University Bound=Program". This program extends services to students in high schools =public, private and parochial) in both districts from families meeting low=income criteria, first generation college students and/or students wh= have an academic need. All the students are seniors. There ar= 24 in the St. Thomas/St. John District and ten in the St. Croix District.=/div>

Zero Toler=nce has made a request for funds to attend a Youth Basketball of America t=urnament in Florida in July. The total budget is \$17K.&n=sp; I would like to instead talk to Mr. Todman (Director) about supplying =is boys these computers. If we donate 34 to the UVI University Bound=Program we would have 66 left. Thoughts?
