Attached is Narrow Inc.tax return FY 2015=/p>

Return is on extension

Password to follow in separate email

Return will be filed electronically

Note that return has been prepared with estimated values for the art. Heather is working with Christie's on appraisals. We can slot in final values once they are complete. Tom T was fine filing with estimated valuations. As indicated above, the returns are on extension and there is ample time for the appraisals to come in.
