Please note that these fees are our legal fees only. The government filing fees will be \$700 for the green card petition and a total of \$3,950 for the I-485s (\$1225 each for you and your spouse and \$750 each for your 2 children). As we discussed, the extraordinary ability petition is eligible for premium processing for an additional \$1225 which guarantees government review within 15 calendar days. Normal processing without premium is usually 6 - 8 months. We will request the government fees for each filing as needed.
