Or maybe an opportunity like that should go to [REDACTED]? Haven't seen her since I broke up w my ex, who is a close friend of hers. I have met [REDACTED] mother twice and I'm pretty sure if I could meet w her again I could lay out a nice plan that the mother would convince [REDACTED] to get on board, like buy a big house somewhere, have a kid (without marriage, your arguments were convincing!). Every older woman wants to live to see their kids have kids and be a grandmother. Maybe we can get to [REDACTED] mother with the pretext of a job offer. She's actually a very good seamstress. Wouldn't need to pan out it would just be an occasion to accidentally run into the mother and invite her for a coffee or something.

It's past midnight, when my mind starts racing, if this sounds crazy to you then never mind!
