Please see below from Dr Tings office re= your procedure. You will need an EKG and blood work prior to the surgery as you will be lightly sedated. Elsa in Tings office will send me the requirements. We could ask Dr Merrell if he can possibly fit you in tomorrow for th=s or do you have a doctor at the ranch? Or perhaps wait for Fri March=3 and have done with Moskowitz in PB?. You must have time for all results to= come back prior to the surgery on 15th
