Good day Mrs. Wallace,

Every year the Virgin Islands Board of Education awards \$1,000.00 to =he Valedictorian and \$800.00 to the Salutatorian of each recognized high s=hool, public, private and parochial. In total we have 34 Valed=ctorians and salutatorians throughout the Virgin Islands. We h=ve desired to increase the amount of these scholarships, but as you may be=aware our resources are very limited. We would be grateful if Mr. Ep=tein would be willing to donate lap tops to these high achieving students.=nbsp; The Board will be certain to acknowledge your company and Mr. Epstei= in this endeavor.

Thank you for taking the time to speak with me concerning this reques=.

Sincerely,

Nandi Sekou
