how are you? =/font>

And I was just =itting looking at the cows eating grass and wondering about =ou.

I am fine - on the mental level. Otherwise: just was at [REDACTED]
[REDACTED] The =ood news, it now seems to be under =ontrol.

summer plans?

I've been =orking of a VERY exciting personal book project which I launched =s of yesterday to great interest from contributors. See next email =hich is what I am sending out to potential contributors, a who's who of =he leading scientific thinkers in the world. This is 51 years in the =aking. I am the only person alive that can pull this off. It involves =aying contributors for essays and possibly running some meetings: =ere, London, SF, and possibly Germany or Switzerland (the most =mportant German-language paper, NZZ (the biggest paper =n Switzerland) has offered to partner with EDGE - the will =ake previously published eEDGE stuff and translate and run big =eatures. I'm out all morning, back at the farm early afternoon if you =ant to call.
