Dear Jeff,

Your name popped up again in the Press and I thought=it was time to congratulate you on your wonderful financial successes sinc= your days as my Physics prof at Dalton!! The young, bright options trader= who understood Black Sholes and how to use it, at Bear, made good!!

Unless your PR advisor is Donald Trump, I am not sur= that current press provides you with much benefit. Perhaps I am wrong? No= the first time!!

Anyway, middle age has brought its own unique set of=challenges. Aging certainly ain't for sissy's.

Regards,

Jamie Rosenwald

Ps. David Asch and I toasted to you during our Thank=giving weekend in Amagansett in November.
