Jeffrey

I know you hate to be involved in the drama that goes on, but I feel that the situation with Jill at the vinyl shop needs to be addressed&nbs=; since she Emailed you directly.

As you know [REDACTED] overheard my conversation with Jill and she w=ll also tell you that it was in absolutely no way rude or condescending. I a= simply a customer calling in with changes to a work order.

I am 100% certain that her response was the result of Carlos poi=oning the well. He and Jill are friends. There is simply no other reason fo= her to have such animosity towards me.

This is not the first time I've been involved in his slander.

The correct procedure in my mind would be to confront Carlos. An=, if confirmed, he should be put on probation for sabotaging his superior. T=e message I like to deliver is that on LSJ/GSJ we either work as a team or n=t at all. The kindergarten BS is so rampant. The atmosphere here would dras=ically improve if Danny and Carlos were sent packing and replaced with adul=s.

Thanks
