Subject: Spotify Payment Failure

Dear Customer,

We've tried a number of times but have been unable to renew your Spotify subscription. As of today, you'll start to hear ads and, if you had a Premium subscription, you'll lose access to Spotify on your mobile phone.

Continuing with your Spotify subscription couldn't be easier. Simply visit our subscription page and login with your Spotify account:

<https://www.spotify.com/account/subscription/>

Should you experience further problems, please don't hesitate to contact Spotify Customer Service
<http://www.spotify.com/about/contact/contact-spotify-support/?payment>

Many thanks,

The Spotify Team
