Things are hectic.. sorry for not getting back to you earlier.. Sorry to hear about the upheavals, but I know that you take these things in stride. I will reach out to Rogan. I think I have his email, or at least his producers email. He lives and works in LA.

From my friend Arnoldo Alcott (my diving instructor and friend).. Since he is the reason I know you, I felt it appropriate to pass this on. If there is anything you need re underwater at your island, I am sure he could use the work.
