David,

The skylights aren't going to be here =or another month. Apparently they were some sort of special order, and =hey didn't have the parts in stock. They're shipping from the factory =n the 7th. I'm guessing they'll be here on the 16th.

But the =GT windows and doors should be here tomorrow. I'm going on vacation tomorrow, so if I don't call =ou, my boss, Tommy will. I'll be back in the office on the =6th.

I'm really sorry,
