Jeffrey

I confirm Wed morn to San Diago,.  
Pilots will be Dave and myself.,

Boat

Interior shop is down including Fiberglass shop interior work,, Boat Mechanic will ops check Generator and New AC unit,, plus ops check engi=es with New O2 sensors.,

I could be ready to ship by Friday is we don't sea trial,, I'd be satisfied if ops checks are good tomorrow without sea trial and get h= boat to LSJ,,

Should I "ship" when ready without sea trial if all goes well tomorrow with D=y ops checks? Or sea trial later?

Pls advise?

Thx  
Larry
