Dear [REDACTED]

It was =eally lovely to meet you today.

<=span>

After our conversation I went and caught up with Paula Ellis (CG A=sistant Shop Manager) and Sofia Arrieta in HR to make a plan going forward= I have also since updated the CG Shop Manager Sergei, whom you didn♦=99t meet – however will tomorrow.

=C2♦

As mentioned at this stage we do not have a specific=role in mind – however we are always keen to welcome those who und=rstand the brand and who wish to be part of the Petersham team. </=>

I know you are eager to work=more amongst our marketing/ events department – however at this ti=e we do not have a paid position with them. This may change when our curre=t 'Marketing Trainee' Alfredo goes back to uni at the end =f the year.

Frances=o however mentioned today, that he is keen for you to get to know us by jo=ning the shop team in Covent Garden. Helpfully, they are looking for seaso=al sales staff to assist up to the end of December as we move to our peak =hristmas season.

I have=thought over all we discussed today and would like to run the following pr=posal by you – which is a compromise over what we can offer and wh=t you possibly want to get involved with.

</=>

From now until end of the December we can offer 3 =aid days/shifts in the CG shop. This would be paid at an hourly rate of =C2♦8.50 and I would put you in touch with Sergei the Shop Manager to coo=inate your rota – I believe they offer an three different shift p=terns:

Early Shift 9.30am – 5.30pm</=>

Medium Shift 11am – 7pm

Late Shift 12.30pm - 8.30pm      ♦=A0      ♦=A0      =C2♦      ♦=A0      =C2♦      ♦=A0      =C2♦  
=C2♦

For the other two days per week, =e could offer an internship type role (covering travel expenses/ offering =unch etc) – whereby you would spend time either with the buying an= merchandising team (coordinated through our Head of Buying Tara) or withi= marketing/ events (Contact Marketing Manager Paula). This would be a grea= opportunity to shadow the current teams, understand what they do and get =nvolved in different elements. In short, after the first month we would be=able to assess how you are getting on and which team you are thriving in =E2♦♦ then by end of the year discuss a position going forward.<=>

Whilst I will be at Richmond =omorrow, I will be on my mobile (07841 357 564 <tel:07841%20357%20=64> ) if you wish to discuss. In the meantime, I have bri=fed Sergei that you will join him in the shop tomorrow for the 'me=ium' shift, so from 12.30pm onwards. This will also give you an op=ortunity to help set up and support the Cook for Syria Charitable dinner i= the evening.

Best regards,<=span>

Charlotte.
