no. It was a d=saster today.

I feel like we're doing everything twice=because he's confused as to what to do or how to do it. Kimberly is good
bu= Michael is of no help to us whatsoever

-This morning he ask me what time is the Barg= runs. I said Michael, aren't you on the Barge group text and he
said yes b=t just tell me.

-I asked him if he sent Bossman the updated punch list and h= said no. That he thought Bossman would just log
on to see it <=div>

</=iv>

-Michael asked=me to update all the items he highlighted in blue on the punch list last ni=ht, which I did. Then
he asked me this morning which ones did I update

-I had Liston set up to install the battery at C=brita point and he told Jermaine that we will do it in house without
tellin= me so it didn't get done.

-He asked for a trash r=n and when they picked up the bin it wasn't even half full

=br>

-He placed an MSI order and asked us to go pick it up and whe= it arrived to LSJ he said he made a mistake the
order is wrong. Kamoy=is taking it back in the morning

-He schedule a barge run for 3=m for Marble counter top and then re-schedule for tomorrow (Sat) at
9am&nbs=;
