Looks like josh married the girl he started dating when I left him. She post=d a photo in a wedding dress and changed the last name.

He kept texting me asking to meet him last week in Mexico or the following w=ek in NY and when I asked if he was married he just didn't respond. Twice. = Sent from my iPhone=?xml version=.0" encoding=TF-8"?> <!DOCTYPE plist PUBLIC "-//Apple//DTD PLIST 1.0//EN" "http://www.apple.com/DTDs/PropertyList-1.0.dtd">
