Jeffrey,=o:p>

</=:p>

Currently =ou have 2 Mid Continent Control video switching modules (MCC P/N =03004-1), composite video, controlled through the CMS switch panels. =o:p>

</=:p>

The new =onitor has HDMI, SDI and composite inputs.

</=:p>

With the =ntegra AV we can put composite video in and it will upscale it to HDMI. =o:p>

</=:p>

The on/off =unction for the monitor will still be through the CMS panels but the =ideo selections will be from the iPad app. =nbsp;
