There is a very exciting idea that I would like to=ask you to pass to Woody Allen

It's about making a=movie based on a novel that I wrote together with a symphonic score.
<=iv>

The story is Gustave Mahler coming back today through a=little magic trick to complete his tenth symphony that he didn't have time t= orchestrated when he died

The story is full of "A=ien" éléments, like the flash backs on Mahler's meeting with Freu=.

Then wait for the best: I have completed this sy=phony and I am going to record it with the Jerusalem orchestra. And already=pre-sold the new score to 10 major orchestras.
So the movie could=actually feature the reborn symphony no 10 of Mahler (that Allen loves) and=create a double buzz: the movie and the symphony

<=iv>Do you think the idea could please your friend Woody?
