Jeffrey,

I recommend we have a joint meeting with Creative Kingdom= Amy, and myself to iron out the drawing requirements and other technical =nformation needed for the CZM application. There are two very different su=missions sent by you, so we have to determine which one is being used. Add=tionally, the proposed location of the docks should be guided by Amy =99s investigations. It is my understanding that the Army Corp is not going=to allow a docking facility where you have one now because of the depth. T=at is to be removed as a part of the application for a permanent docking f=ility.
