Good =ay Roy and Stephanie,

Gym iPads are both online, it =as the apple extreme which needed =pdating.

Also, I monitored the internet =nd it is running stable for both ATT and Broadband. I requested a 24hr =nobtrusive monitoring. This will allow both ISP's to see bandwidth =sage only and not interrupt service. Both will report findings by 12:00 =omorrow to see if deeper testing will be required. I stressed to both =hat stability and quality of service is of utmost =mportance.

Regards
Jruan
