Hi,

Hopefully this email is reaching Jeff Epstein. I was hoping you might be able to give me a call. I have left a message with your office, but they said you were travelling and hard to reach, so I was hoping might pick up this email.

As you probably know the big banking news over here in the UK is Jes Staley being appointed as CEO at Barclays, and there is big interest here about him. I gather you are an old friend of his and wondered if you would give me a call.

I would be hugely grateful and please don't worry about the time difference - picking up calls at odd hours is part of my job.

Regards
