sorry, to copy you on these but i have already told you the reason i now do so - see for yourself. not sure who they are meeting with -but HIGH NET WORTH audits are not!! the same as others. If you receive an assessment it will be for approx 100-250 million. any other small

executives similar type of notice is IRRELEVANT. the agent will see the largest assessment in their life. and the game gets complex quickly, just human nature, -- how is it possible that after a full week , the numbers still alude them. numbers tom filed.!

We are meeting with tom and rich this am and IF the numbers make sense I'm hoping they will be presentable by monday. No way do I envision they'll be fully cogent and presentable today. Let barry and I discuss after our 945 am meeting.
