I meant would be ok if Bella sends me money for my living for this month along with money for my parents expenses or would you prefer for that use my yellow American Express card?

Hi sneaky,

Did you see a pic of food I sent you? ♡=98 ♡ I will make for you my traditional dumplings when You are back! ♡=9F ♡ ♡

Sneaky, I wanted to ask if I could use my yellow American Express card for my parents expenses while they are here or you would prefer bella to wire me. I have been using my personal card with the money( 3k) you gave me a month ago and I almost reached my limits ♡=A0
